

THE FLORIDA COUNSELING ASSOCIATION

A state branch of the American Counseling Association

24 October 2011

Dear Florida Counselors,

The Florida Counseling Association (FCA) wishes to express sincere appreciation and thanks to all those who attended the 62nd annual FCA convention in Orlando, Florida. The 2011 convention hosted relevant educational sessions, lively topics for discussion, and informative Keynote speakers designed for all counselors. The luncheon Keynotes provided insight and empowerment for self fulfillment from Dr. Butler and a sustained connection to ACA, 20/20 vision, and Southern Region from our ACA Leaders Dr. McEachern and Dr. Siskind. The FCA photo team is actively preparing videos and photo galleries that will be posted soon on the FCA website highlighting our convention. Log on and catch a glimpse!

Mark your calendars for FALL 2012 to attend the FCA 63rd annual convention in the Tampa, Tampa Bay area. West coast here we come! As information is confirmed and finalized, updates will be posted to the website.

As we progress this year, FCA continues to use the convention theme-Our Foundation-Our Future to maintain our strong foundation with past leaders and to engage innovative, energetic, new emerging leaders. FCA experienced a spike in enthusiasm as counselors, counseling students, and retirees stepped up to accept leadership roles. It's true, we are strength in numbers and we do make a difference. Keep your attention on FCA's website for confirming plans for upcoming trainings in 2012.

Again, thanks goes out to all who attended the convention- won prizes, donated to the sock drive, enjoyed networking, made connections, laughed, talked and relaxed over dinner with friends. It was a pleasure to interact with you. And for those unable to attend this year, know that you were missed. Hope to see you next year in Tampa.

Sincerely,

Candy Hertsch, FCA President
