

Florida Career Development Association
Presents the First Annual Career Spring Institute

Career Decisions in a Challenging World

October 25, 2011

Dear Florida Counseling Association Member,

The Florida Career Development Association (FCDA) a branch of the Florida Counseling Association (FCA), invites you to the 1st Annual Career Spring Institute 2012, *Career Decisions in a Challenging World*.

This two-day event: **Friday, February 10th and Saturday, February 11th, 2012**, will bring professionals from around the state interested in career development together to learn and network.

- Friday a series of special workshops on Career Information Processing (CIP) by the authors Dr. Sampson, Dr. Reardon, Dr. Peterson and Dr. Lenz of Florida State University.
- Saturday includes sessions on career center issues, career and mental health, career and multicultural issues, and more.
- Earn a certificate of attendance for the full conference and an opportunity to receive CECs.

The institute will be hosted by the #1 ranked, Career Resource Center at the University of Florida, Gainesville, Florida and is open to all FCA, FCDA members, academic & practicing professionals and students providing an opportunity for diverse perspectives and networking.

Save money and register by December 31, 2011. Space is limited. A full agenda will soon become available so mark your calendars now. Please print and complete the registration form available at www.FLAcounseling.org. For additional questions, please contact FCDA President Levette S. Dames ldames@mail.usf.edu or call at [813-975-3515](tel:813-975-3515).

We look forward to an informative and engaging event!

Levette S. Dames
President FCDA 2011-2012
