

Easy holiday gifting with eGift cards

eGift cards are the convenient way to earn on all your gifting. They're immediately sent to your account, so you don't have to wait for them to arrive or worry about any seasonal shipping delays.

How to gift them

Save an eGift card as a PDF and print it

1. Purchase an eGift card on Shop.ShopWithScrip.com or in the RaiseRight™ mobile app
2. Go to your Wallet
 - a. Shop.ShopWithScrip.com > Dashboard > My Wallet
 - b. RaiseRight mobile app > Wallet
3. Select the eGift card you are gifting, then:
 - a. On Shop.ShopWithScrip.com, click the print icon or select File > Export as PDF to save it and print later
 - b. In the RaiseRight mobile app, tap Use Card, take a screenshot, place the image in a Word document and print it

Send an eGift card as a gift on Shop.ShopWithScrip.com

1. At checkout, select the box next to "Make this a gift?"
2. Add a personal message and enter the recipient's contact information
3. Pay using your linked bank account or credit card, and instantly send or schedule the eGift card for delivery
4. The recipient will get an email with a link to view and print their eGift card

Tip: This is a great option for any last-minute gifting needs.
